

Woodhaven Village

Conroe, TX

Client: Padua Realty

E.L.I. Services: Design

Description:

Woodhaven Village is an 11-acre retirement community located in Conroe, Texas.

The design of Woodhaven Village seeks to create unique outdoor spaces that offers a wide range of amenities to all abilities. The centralized courtyards serve as the core activity areas, complete with seating areas, a putting green, walking trails and open lawns. Open terraces provide spaces for open recreation opportunities such as exercise classes or gatherings. Large trees and plants finish the outdoor spaces by providing shade and a variety of textures and colors. Residents also have the opportunity to tend to their own personal gardens.
